This compact stereo music system offers outstanding sound quality in a space-saving design. Thanks to the integrated subwoofer (2.1), you will experience rich, balanced sound that brings your favorite music to life. The all-in-one system combines all essential functions, so you do not need any additional devices. It also benefits from proven

technology from the MEISTERSTÜCK (Gen. 2), which stands for the highest standards in sound and craftsmanship - making the AVATON ideal for anyone seeking a compact, high-quality music system with a focus on versatile streaming services and digital connectivity.
